Hi Donn –

I was planning on attending the meeting, as I am part of the Health Assessment Team (Tina Walker, Tom Ellerbee, David Rivera, and myself) doing the door-to-door outreach activities that week.

If health-related questions or questions about the work we have done in the area come up during the meeting, we will decide the most appropriate person to answer the questions.

Subject: San Jacinto Waste Pits Meeting

Hello, Carrie. I am in the process of setting up for, and Facilitating the upcoming San Jacinto Site meeting in Highlands, Tx. In previous community meetings, Dr Beauchamp from State Health had assisted us with health advisory related questions from the public. Would you be able to assist with these issues at the Open House/Community Meeting on Thurs, Jan 30th, 6:30 pm. At the Highlands Community Center, 604 Highland Woods Drive.

Thanks.
